## *Two Non-Denominational Talks on the Bible by Madelon Maupin, MTS*

**Session 1:** Madelon will share ways to approach the Psalms in their beauty and majesty by looking at how these ancient hymns capture all the themes of the Bible. Christ Jesus quoted from the Psalms more than any other book of the Hebrew Scriptures. Exploring these inspirational hymns can bless us on our own spiritual journey.

**Session 2:** Come learn more how the Holy Spirit moved the early Church and continues to direct our spiritual journey today. Madelon will share political, historical, geographical and Biblical insights into the Book of Acts and its author, describing how Christianity exploded across the Roman Empire.

**Whether a newcomer or a long-time student of the Bible, please join us — and feel free to bring a friend!**

Madelon has a Masters in Theological Studies from San Francisco Theological Seminary, was Cultural Historian for Princess Cruises’ trips to Biblical
